A

abuse

screening for domestic violence (*let*), November 1, p. 1965

Accutane

family physicians and Accutane (*ed*), October 15, p. 1772

acne

family physicians and Accutane (*ed*), October 15, p. 1772

use of systemic agents in the treatment of acne vulgaris (*article*), October 15, p. 1823

ACTH

Cushing's disease: clinical manifestations and diagnostic evaluation (*article*), September 1, p. 1119

adolescents

depression in children and adolescents (*article*), November 15, p. 2297

screening for adolescent idiopathic scoliosis (*ppip*), July 1, p. 265

screening for iron deficiency anemia among children and adolescents (*ppip*), August 1, p. 671

use of systemic agents in the treatment of acne vulgaris (*article*), October 15, p. 1823

advance directive

daughter who won't let her mother go (*curb con*), July 1, p. 255

withholding and withdrawing life-sustaining treatment (*article*), October 1, p. 1555

AIDS/HIV

facial masses (*photo*), October 1, p. 1619

airway obstruction

postobstructive pulmonary edema (*article*), July 15, p. 401

alcohol abuse

diagnosis and management of acute pancreatitis (*article*), July 1, p. 164

measurement of alcohol withdrawal (*let*), September 1, p. 954

alcohol use

health issues in men: part II. common psychosocial disorders (*article*), July 1, p. 117

alternative therapy

alternative therapies: part I. depression, diabetes, obesity (*article*), September 1, p. 1051

alternative therapies: part II. congestive heart failure and hypercholesterolemia (*article*), September 15, p. 1325

anemia

anemia in the elderly (*article*), October 1, p. 1565

normocytic anemia (*article*), November 15, p. 2255

screening for iron deficiency anemia among children and adolescents (*ppip*), August 1, p. 671

antibiotics

appropriate prescribing of oral beta-lactam antibiotics (*article*), August 1, p. 611

topical fluoroquinolones for eye and ear (*article*), October 15, p. 1870

antioxidants

update on vitamin supplements for the prevention of coronary disease and stroke (*article*), September 15, p. 1359

antiretroviral therapy

HHS updates guidelines for antiretroviral therapy in HIV infection (*prac guide*), August 1, p. 661

anxiety

primary care treatment of post-traumatic stress disorder (*article*), September 1, p. 1035

aphthous ulcers

management of aphthous ulcers (*article*), July 1, p. 149

arthritis

family physician's guide to monitoring methotrexate (*article*), October 1, p. 1607

asthma

foreign-body aspiration, asthma and chronic bronchitis (*let*), October 1, p. 1513

atherosclerosis

attenuating cardiovascular risk factors in patients with type 2 diabetes (*article*), December 15, p. 2633

athletes

AMA policy statement on cardiovascular screening of student athletes (*ed*), August 15, p. 737

cardiovascular screening of student athletes (*article*), August 15, p. 765

attention-deficit/hyperactivity disorder

ADHD in adults: a commentary (*ed*), November 1, p. 1983

adult ADHD: evaluation and treatment in family medicine (*article*), November 1, p. 2077

B

back pain

osteopathic medicine in the treatment of low back pain (*let*), December 1, p. 2414

benign familial pemphigus

more than just a comet ... (*photo*), July 1, p. 175

beta blockers

beta blocker therapy for chronic heart failure (*article*), November 15, p. 2267

beta blockers and congestive heart failure (*ed*), December 1, p. 2402

importance of beta blockers in the treatment of heart failure (*article*), December 1, p. 2453

optimizing beta-blocker use after myocardial infarction (*article*), October 15, p. 1853

why aren't we using beta blockers after acute MI? (*ed*), October 15, p. 1771

beta-lactam drugs

appropriate prescribing of oral beta-lactam antibiotics (*article*), August 1, p. 611

bile duct obstruction

diagnosis and management of acute pancreatitis (*article*), July 1, p. 164

bipolar disorder

management of bipolar disorder (*article*), September 15, p. 1343

birth control

emergency contraception: still not too late (*ed*), November 15, p. 2222

emergency postcoital contraception (*article*), November 15, p. 2287

informed consent and emergency contraception (*ed*), November 15, p. 2219

blood disease

anemia in the elderly (*article*), October 1, p. 1565

sickle cell disease in childhood: part I.
laboratory diagnosis, pathophysiology and
health maintenance (*article*), September 1,
p. 1013

sickle cell disease in childhood: part II.
diagnosis and treatment of major
complications and recent advances in
treatment (*article*), September 15, p. 1309

body building

gamma-hydroxybutyrate (GHB): a newer
drug of abuse (*article*), December 1, p. 2478

brachial plexus neuritis

acute brachial plexus neuritis: an uncommon
cause of shoulder pain (*article*), November 1,
p. 2067

breast cancer

breast cancer diagnosis and screening
(*article*), August 1, p. 596

screening for breast cancer (*ed*), August 1,
p. 500

breast examination

suggested technique for the clinical breast
examination (*let*), September 1, p. 957

breast-feeding

breast-feeding and infant oral health (*let*),
August 1, p. 506

bronchitis

foreign-body aspiration, asthma and chronic
bronchitis (*let*), October 1, p. 1513

burns

ambulatory management of burns (*article*),
November 1, p. 2015

C

cancer

AUA issues a policy report on PSA monitoring
(*prac guide*), August 15, p. 883

early detection and treatment of skin cancer
(*article*), July 15, p. 357

interventional radiology in cancer patients
(*article*), July 1, p. 95

prevention and early detection of malignant
melanoma (*article*), November 15, p. 2277

canker sores

management of aphthous ulcers (*article*),
July 1, p. 149

cardiovascular disease

AMA policy statement on cardiovascular
screening of student athletes (*ed*), August 15,
p. 737

attenuating cardiovascular risk factors in
patients with type 2 diabetes (*article*),
December 15, p. 2633

beta blocker therapy for chronic heart failure
(*article*), November 15, p. 2267

beta blockers and congestive heart failure
(*ed*), December 1, p. 2402

cardiovascular screening of student athletes
(*article*), August 15, p. 765

importance of beta blockers in the treatment
of heart failure (*article*), December 1, p. 2453

update on digoxin therapy in congestive heart
failure (*article*), July 15, p. 409

weighing the evidence for vitamin
supplementation and CVD prevention (*ed*),
September 15, p. 1276

why aren't we using beta blockers after acute
MI? (*ed*), October 15, p. 1771

caregivers

caring for caregivers (*ed*), December 15,
p. 2584

practical guide to caring for caregivers
(*article*), December 15, p. 2613

catheterization

urinary tract infections: 2000 update (*ed*),
October 15, p. 1775

central nervous system

gamma-hydroxybutyrate (GHB): a newer
drug of abuse (*article*), December 1, p. 2478

cervical cancer

further discussion on the role of Pap smear
screening (*let*), November 15, p. 2232

cervical spondylotic myelopathy

cervical spondylotic myelopathy: a common
cause of spinal cord dysfunction in older
persons (*article*), September 1, p. 1064

children

AAP practice parameter on urinary tract
infections in febrile infants and young
children (*article*), October 15, p. 1815

acute gastroenteritis in children (*let*),
November 1, p. 1965

depression in children and adolescents
(*article*), November 15, p. 2297

friable neoplasm during pregnancy (*photo*),
September 1, p. 1137

lightening the lead load in children (*article*),
August 1, p. 545

practical approach to uncomplicated seizures
in children (*article*), September 1, p. 1109

screening for iron deficiency anemia among
children and adolescents (*ppip*), August 1,
p. 671

sickle cell disease in childhood: part I.
laboratory diagnosis, pathophysiology and
health maintenance (*article*), September 1,
p. 1013

sickle cell disease in childhood: part II.
diagnosis and treatment of major
complications and recent advances in
treatment (*article*), September 15, p. 1309

urinary tract infections: 2000 update (*ed*),
October 15, p. 1775

chronic heart failure

beta blocker therapy for chronic heart failure
(*article*), November 15, p. 2267

chronic illness

caring for caregivers (*ed*), December 15,
p. 2584

colonoscopy

colonoscopy: procedural skills (*position*),
September 1, p. 1177

tips for the GI prep based on a physician's
own experience (*let*), September 1, p. 957

congenital disorders

Down syndrome: prenatal risk assessment
and diagnosis (*article*), August 15, p. 825

maternal serum triple analyte screening in
pregnancy (*ed*), August 15, p. 738

congestive heart failure

alternative therapies: part II. congestive heart
failure and hypercholesterolemia (*article*),
September 15, p. 1325

beta blockers and congestive heart failure
(*ed*), December 1, p. 2402

importance of beta blockers in the treatment
of heart failure (*article*), December 1, p. 2453

optimizing beta-blocker use after myocardial
infarction (*article*), October 15, p. 1853

update on digoxin therapy in congestive heart
failure (*article*), July 15, p. 409

consultants

consultant takes over (*curb con*), October 1,
p. 1709

contraception

using progestins in clinical practice (*article*),
October 15, p. 1839

coronary heart disease

update on digoxin therapy in congestive heart
failure (*article*), July 15, p. 409

update on vitamin supplements for the
prevention of coronary disease and stroke
(*article*), September 15, p. 1359

why aren't we using beta blockers after acute
MI? (*ed*), October 15, p. 1771

corrections/clarifications

Chicago universities collaborate on 'problem-
oriented diagnosis' series (*inside AFP*),
August 15, p. 736

diagnosis of acute meningitis in adult patients
(*tip*), August 1, p. 508

geriatric patient: a systematic approach to
maintaining health (*article*), October 1,
p. 1518

identification and evaluation of mental
retardation (*article*), September 1, p. 961

lichen planus (*article*), October 15, p. 1786
 Monday (*diary*), October 15, p. 1786
 preparticipation athletic evaluation (*article*),
 September 15, p. 1264
 quantum sufficit, September 1, p. 961
 restless legs syndrome: detection and
 management in primary care (*article*),
 August 15, p. 736
 successful management of the obese patient
 (*article*), November 1, p. 1967
 thyroiditis: differential diagnosis and
 management (*article*), July 15, p. 318
 troubled teen: matters of confidentiality
 (*curb con*), October 1, p. 1518
 update on colorectal cancer (*quiz*), July 15,
 p. 318
 uterine fibroid embolization (*article*),
 October 15, p. 1786

cortisol

Cushing's disease: clinical manifestations and
 diagnostic evaluation (*article*), September 1,
 p. 1119

Cushing's disease

Cushing's disease: clinical manifestations and
 diagnostic evaluation (*article*), September 1,
 p. 1119

cysts

facial masses (*photo*), October 1, p. 1619

D

date rape

gamma-hydroxybutyrate (GHB): a newer
 drug of abuse (*article*), December 1, p. 2478

deep venous thrombosis

acute venous thromboembolism: diagnostic
 guidelines (*ed*), November 15, p. 2226

dementia

practical guide to caring for caregivers
 (*article*), December 15, p. 2613

depression

depression and sexual desire (*article*),
 August 15, p. 782
 depression in children and adolescents
 (*article*), November 15, p. 2297
 health issues in men: part II. common
 psychosocial disorders (*article*), July 1, p. 117
 management of bipolar disorder (*article*),
 September 15, p. 1343

dermatofibrosarcoma protuberans

dermatofibrosarcoma protuberans: early
 recognition and treatment (*let*), September
 15, p. 1257

dermatology

ambulatory management of burns (*article*),
 November 1, p. 2015

dermatofibrosarcoma protuberans: early
 recognition and treatment (*let*), September
 15, p. 1257

early detection and treatment of skin cancer
 (*article*), July 15, p. 357

evaluation of an umbilical lesion (*photo*),
 August 1, p. 623

family physicians and Accutane (*ed*), October
 15, p. 1772

more than just a comet ... (*photo*), July 1, p. 175

prevention and early detection of malignant
 melanoma (*article*), November 15, p. 2277

serpiginous eruption on the buttocks (*photo*),
 December 1, p. 2493

use of systemic agents in the treatment of
 acne vulgaris (*article*), October 15, p. 1823

detoxification

measurement of alcohol withdrawal (*let*),
 September 1, p. 954

diabetes

attenuating cardiovascular risk factors in
 patients with type 2 diabetes (*article*),
 December 15, p. 2633

migliol and hepatotoxicity in type 2 diabetes
 mellitus (*let*), July 15, p. 315

diagnostic imaging

headache consortium releases guidelines for
 use of CT or MRI in migraine work-up
 (*prac guide*), October 1, p. 1699

digoxin

update on digoxin therapy in congestive heart
 failure (*article*), July 15, p. 409

domestic violence

screening for domestic violence (*let*),
 November 1, p. 1965

Down syndrome

Down syndrome: prenatal risk assessment
 and diagnosis (*article*), August 15, p. 825
 maternal serum triple analyte screening in
 pregnancy (*ed*), August 15, p. 738

driving

resources for evaluating the elderly driver
 (*let*), August 15, p. 733

drug abuse

gamma-hydroxybutyrate (GHB): a newer
 drug of abuse (*article*), December 1, p. 2478
 health issues in men: part II. common
 psychosocial disorders (*article*), July 1, p. 117

drug therapy

guidelines on migraine: part 2. general
 principles of drug therapy (*prac guide*),
 October 15, p. 1915

dympareunia

female sexual dysfunction: evaluation and
 treatment (*article*), July 1, p. 127

E

ear

topical fluoroquinolones for eye and ear
 (*article*), October 15, p. 1870

elderly

anemia in the elderly (*article*), October 1,
 p. 1565

cervical spondylotic myelopathy: a common
 cause of spinal cord dysfunction in older
 persons (*article*), September 1, p. 1064

normocytic anemia (*article*), November 15,
 p. 2255

practical guide to caring for caregivers
 (*article*), December 15, p. 2613

resources for evaluating the elderly driver
 (*let*), August 15, p. 733

urinary incontinence in women: evaluation
 and management (*article*), December 1,
 p. 2433

emergency contraception

emergency contraception: still not too late
 (*ed*), November 15, p. 2222

emergency postcoital contraception (*article*),
 November 15, p. 2287

informed consent and emergency
 contraception (*ed*), November 15, p. 2219

end-of-life care

dying patient, like me? (*curb con*), August 15,
 p. 888

daughter estranged from her dying father
 (*curb con*), December 1, p. 2543

daughter who won't let her mother go (*curb
 con*), July 1, p. 255

doctor who is blamed for a patient's
 condition (*curb con*), November 1, p. 2157
 withholding and withdrawing life-sustaining
 treatment (*article*), October 1, p. 1555

endocrine disorders

polycystic ovary syndrome: it's not just
 infertility (*article*), September 1, p. 1079

endometriosis

ACOG issues recommendations for the
 management of endometriosis (*prac guide*),
 September 15, p. 1431

adenocarcinoma arising in endometriosis
 (*let*), August 15, p. 734

epilepsy

practical approach to uncomplicated seizures
 in children (*article*), September 1, p. 1109

ethics

dying patient, like me? (*curb con*), August 15,
 p. 888

daughter estranged from her dying father
 (*curb con*), December 1, p. 2543

doctor who is blamed for a patient's condition (*curb con*), November 1, p. 2157
responses to 'bending the rules to get a medication' (*let*), July 1, p. 44; 44; 45; 46
revealing a medication error (*let*), July 15, p. 315

seductive patient (*curb con*), September 1, p. 1196

withholding and withdrawing life-sustaining treatment (*article*), October 1, p. 1555

eye

topical fluoroquinolones for eye and ear (*article*), October 15, p. 1870

F

family practice

my experiences at an 'orphan' school: the importance of finding 'parents' (*res stu voice*), July 1, p. 258

fatigue

treating fibromyalgia (*article*), October 1, p. 1575

treating fibromyalgia: science vs. art (*ed*), October 1, p. 1492

fertility

undescended testicle: diagnosis and management (*article*), November 1, p. 2037

fetal stress test

ACOG guidelines on antepartum fetal surveillance (*prac guide*), September 1, p. 1184

fetal surveillance

ACOG guidelines on antepartum fetal surveillance (*prac guide*), September 1, p. 1184

fever

AAP practice parameter on urinary tract infections in febrile infants and young children (*article*), October 15, p. 1815
evaluating the febrile patient with a rash (*article*), August 15, p. 804

fibromyalgia

treating fibromyalgia (*article*), October 1, p. 1575

treating fibromyalgia: science vs. art (*ed*), October 1, p. 1492

fluoroquinolones

topical fluoroquinolones for eye and ear (*article*), October 15, p. 1870

folic acid

update on vitamin supplements for the prevention of coronary disease and stroke (*article*), September 15, p. 1359

food

protecting consumers by safeguarding animal health (*FDA*), August 1, p. 659

foreign-body aspiration

foreign-body aspiration, asthma and chronic bronchitis (*let*), October 1, p. 1513

G

gamma-hydroxybutyrate

gamma-hydroxybutyrate (GHB): a newer drug of abuse (*article*), December 1, p. 2478

gastroenteritis

acute gastroenteritis in children (*let*), November 1, p. 1965

gastrointestinal testing

tips for the GI prep based on a physician's own experience (*let*), September 1, p. 957

generalized anxiety disorder

generalized anxiety disorder (*article*), October 1, p. 1591

generalized anxiety disorder in family practice patients (*ed*), October 1, p. 1495

genetics

Down syndrome: prenatal risk assessment and diagnosis (*article*), August 15, p. 825

maternal serum triple analyte screening in pregnancy (*ed*), August 15, p. 738

sickle cell disease in childhood: part I. laboratory diagnosis, pathophysiology and health maintenance (*article*), September 1, p. 1013

sickle cell disease in childhood: part II. diagnosis and treatment of major complications and recent advances in treatment (*article*), September 15, p. 1309

geriatrics

anemia in the elderly (*article*), October 1, p. 1565

cervical spondylotic myelopathy: a common cause of spinal cord dysfunction in older persons (*article*), September 1, p. 1064

normocytic anemia (*article*), November 15, p. 2255

practical guide to caring for caregivers (*article*), December 15, p. 2613

resources for evaluating the elderly driver (*let*), August 15, p. 733

urinary incontinence in women: evaluation and management (*article*), December 1, p. 2433

glandular disorders

facial masses (*photo*), October 1, p. 1619

glucocorticoids

Cushing's disease: clinical manifestations and diagnostic evaluation (*article*), September 1, p. 1119

guidelines

ACOG develops guidelines for induction of labor (*prac guide*), July 15, p. 445

guidelines on migraine: part 2. general principles of drug therapy (*prac guide*), October 15, p. 1915

guidelines on migraine: part 3. recommendations for individual drugs (*prac guide*), November 1, p. 2145

guidelines on migraine: part 4. general principles of preventive therapy (*prac guide*), November 15, p. 2359

guidelines on migraine: part 5. recommendations for specific prophylactic drugs (*prac guide*), December 1, p. 2535

headache consortium releases guidelines for use of CT or MRI in migraine work-up (*prac guide*), October 1, p. 1699

HHS updates guidelines for antiretroviral therapy in HIV infection (*prac guide*), August 1, p. 661

gynecology

ACOG issues recommendations for the management of endometriosis (*prac guide*), September 15, p. 1431

adenocarcinoma arising in endometriosis (*let*), August 15, p. 734

diagnosis of vaginitis (*article*), September 1, p. 1095

emergency contraception: still not too late (*ed*), November 15, p. 2222

emergency postcoital contraception (*article*), November 15, p. 2287

further discussion on the role of Pap smear screening (*let*), November 15, p. 2232

informed consent and emergency contraception (*ed*), November 15, p. 2219

polycystic ovary syndrome: it's not just infertility (*article*), September 1, p. 1079

using progestins in clinical practice (*article*), October 15, p. 1839

H

Hailey-Hailey disease

more than just a comet ... (*photo*), July 1, p. 175

headache

guidelines on migraine: part 2. general principles of drug therapy (*prac guide*), October 15, p. 1915

guidelines on migraine: part 3. recommendations for individual drugs (*prac guide*), November 1, p. 2145

guidelines on migraine: part 4. general principles of preventive therapy (*prac guide*), November 15, p. 2359

guidelines on migraine: part 5. recommendations for specific prophylactic drugs (*prac guide*), December 1, p. 2535

headache consortium releases guidelines for use of CT or MRI in migraine work-up (*prac guide*), October 1, p. 1699

health care policy

- effect of accredited rural training tracks on physician placement (*policy*), July 1, p. 22
- healthy people 2010: the role of family physicians in addressing health disparities (*med soc*), November 1, p. 1971
- importance of having a usual source of health care (*policy*), August 1, p. 477
- importance of primary care physicians as the usual source of healthcare in the achievement of prevention goals (*policy*), November 1, p. 1968

health insurance

- importance of primary care physicians as the usual source of healthcare in the achievement of prevention goals (*policy*), November 1, p. 1968

heart disease

- attenuating cardiovascular risk factors in patients with type 2 diabetes (*article*), December 15, p. 2633
- update on digoxin therapy in congestive heart failure (*article*), July 15, p. 409
- weighing the evidence for vitamin supplementation and CVD prevention (*ed*), September 15, p. 1276

hepatotoxicity

- miglitol and hepatotoxicity in type 2 diabetes mellitus (*let*), July 15, p. 315

herbal medicine

- alternative therapies: part I. depression, diabetes, obesity (*article*), September 1, p. 1051
- alternative therapies: part II. congestive heart failure and hypercholesterolemia (*article*), September 15, p. 1325

HIV/AIDS

- HHS updates guidelines for antiretroviral therapy in HIV infection (*prac guide*), August 1, p. 661
- Pneumocystis carinii* pneumonia in HIV-infected patients (*let*), October 15, p. 1783

hormone replacement therapy

- adenocarcinoma arising in endometriosis (*let*), August 15, p. 734

hormone therapy

- using progestins in clinical practice (*article*), October 15, p. 1839

hyaluronic acid

- intra-articular hyaluronic acid injections for knee osteoarthritis (*article*), August 1, p. 565

hypercholesterolemia

- alternative therapies: part II. congestive heart failure and hypercholesterolemia (*article*), September 15, p. 1325

hypothyroidism

- myxedema coma: diagnosis and treatment (*article*), December 1, p. 2485

I**immunization**

- ACIP issues recommendations for the 2000-2001 influenza season (*prac guide*), July 1, p. 233
- meningococcal vaccine for college freshman (*ed*), August 1, p. 501
- updated treatment for influenza A and B (*article*), December 1, p. 2467

immunologic disorders

- family physician's guide to monitoring methotrexate (*article*), October 1, p. 1607

infants

- AAP practice parameter on urinary tract infections in febrile infants and young children (*article*), October 15, p. 1815
- breast-feeding and infant oral health (*let*), August 1, p. 506
- practical approach to uncomplicated seizures in children (*article*), September 1, p. 1109
- undescended testicle: diagnosis and management (*article*), November 1, p. 2037

infection

- diagnosis of vaginitis (*article*), September 1, p. 1095
- HHS updates guidelines for antiretroviral therapy in HIV infection (*prac guide*), August 1, p. 661
- leukocytosis: basics of clinical assessment (*article*), November 1, p. 2053
- myxedema coma: diagnosis and treatment (*article*), December 1, p. 2485
- neuropsychiatric complications of malaria infections (*let*), August 1, p. 507

- serpiginous eruption on the buttocks (*photo*), December 1, p. 2493
- topical fluoroquinolones for eye and ear (*article*), October 15, p. 1870

infertility

- polycystic ovary syndrome: it's not just infertility (*article*), September 1, p. 1079

inflammation

- leukocytosis: basics of clinical assessment (*article*), November 1, p. 2053

inflammatory conditions

- polymyalgia rheumatica and temporal arteritis (*article*), August 15, p. 789

influenza

- ACIP issues recommendations for the 2000-2001 influenza season (*prac guide*), July 1, p. 233
- updated treatment for influenza A and B (*article*), December 1, p. 2467

informed consent

- informed consent and emergency contraception (*ed*), November 15, p. 2219

iron deficiency

- anemia in the elderly (*article*), October 1, p. 1565
- screening for iron deficiency anemia among children and adolescents (*ppp*), August 1, p. 671

J**jaundice**

- possible ticlopidine-induced cholestatic jaundice (*let*), September 15, p. 1258

K**knee pain**

- intra-articular hyaluronic acid injections for knee osteoarthritis (*article*), August 1, p. 565

L**labor**

- ACOG develops guidelines for induction of labor (*prac guide*), July 15, p. 445
- assisted vaginal delivery using the vacuum extractor (*article*), September 15, p. 1316
- vacuum extraction: a necessary skill (*ed*), September 15, p. 1269

laboratory tests

- leukocytosis: basics of clinical assessment (*article*), November 1, p. 2053

larva migrans

- serpiginous eruption on the buttocks (*photo*), December 1, p. 2493

lead poisoning

- lightening the lead load in children (*article*), August 1, p. 545

left ventricular dysfunction

- beta blocker therapy for chronic heart failure (*article*), November 15, p. 2267

leukocytosis
